WHEAT-FREE?

For those with wheat intolerance, we can make our cupcakes with wheat free ingredients. (minimum order 1 doz. regular cupcakes) We use gluten free DOMATA flour (ingredients: rice flour, cornstarch, tapioca, dextrin, xanthin gum and rice extract).

Please note that while every effort is made to avoid cross contamination, we cannot claim that any of our products are "gluten free" as there is flour in the environment. Those with severe allergies should not risk consuming our products.
